4. [REDACTED] Mr. Robert Hull, Department of State, called in connection with an airgram which was ready for release concerning the selective evacuation to a safe haven of employees and/or families who have been subjected to terrorists attacks (see 20 July Memorandum for the Record). Based on the advice of [REDACTED], SSA/DDS, I called Hull and told him our substantive people see no problem in the proposed new policy. I emphasized that this was not a formal Agency position and that we did not want to be listed as coordinating on the airgram, but that we would like a copy. He said he understood perfectly and would put us on distribution.
